RECOD 2026 ONLINE RESEARCH PRESENTATIONS

Guidelines and Mechanics

I. Purpose

The RECOD 2026 Competitive Research Presentation aims to recognize excellence in research by evaluating the quality, originality, rigor, and presentation skills of student researchers across disciplines.

II. Eligibility

1. The research undertaking must be completed or near completion.
2. The study must be original and not previously awarded in another competition.
3. Research may be individual or group-based output, but only 1 presenter is allowed.
4. The presenter must be the principal investigator or a co-researcher.

III. Research Categories

1. Category A: Food Security and Agriculture
2. Category B: Engineering and Technology Innovation
3. Category C: Education, Social Science and Tourism Management

IV. Presentation Format

Live Oral Presentation with slide support (PowerPoint / Google Slides / PDF).
 Visual aids must be clear, professional, and readable.
 Use of multimedia is allowed, but it should not overshadow the content.

V. Time Allotment

Research Presentation 10 minutes
 Question and Answer 5 minutes

VI. Presentation Content Requirements

Presenters are strictly advised to prepare 10 slides only with the following contents:

- Slide 1- Title, Name of Proponents, Affiliations
- Slide 2- Introduction
- Slide 3- Statement of the Problem
- Slide 4 – Research Paradigm/ Framework of the Study
- Slide 5- Methodology
- Slide 6-8- Salient Findings of the Study
- Slide 9- Conclusion
- Slide 10- Recommendation

VII. Evaluation Criteria and Scoring Rubric

Criteria	Description	Weight
Originality and Relevance	Innovativeness and significance of the study	20%
Methodological Rigor	Appropriateness and clarity of research design and analysis	25%
Results and Interpretation	Depth, coherence, and validity of findings	20%
Presentation Skills	Organization, clarity, delivery, and visual design	15%
Ability to Answer Questions	Accuracy, confidence, and critical thinking	10%
Overall Impact	Contribution to knowledge, policy, or practice	10%
Total		100%

OFFICE OF THE RESEARCH AND DEVELOPMENT

VIII. Judging Mechanics

1. Research evaluators shall consist of 3 subject-matter experts.
2. The average score from all judges shall determine the final ranking.
3. In case of a tie, the higher score in Methodological Rigor shall prevail.
4. Evaluators' decisions are final and irrevocable.

IX. Awards

1. Best Research Presentation
2. 2nd and third place
3. Special Awards -Best Innovation, Best Policy Impact

X. Submission Requirements

Abstract (250–300 words) with 4-6 keywords

For guidance and strict compliance.

FLORIEZA MANGUBAT
Chair, Research and Development
